

Raleigh Studios Screening Rooms

2021 Covid-19 Safety Procedures and Guidelines

Some of the ways that we are working to keep you and your guests safe include:

- 1 **Strict capacity limits are in place for all theaters.** Screening rooms are limited to the minimum level set by Los Angeles County. Contact a member of the theater staff for the most current information on theater capacity limits.
- 2 All guests must be able to present proof of vaccination or results of a negative COVID test from within the last 48 hours if requested.
- 3 Raleigh Studios staff will always be wearing masks and maintain appropriate social distance.
- 4 All theaters are cleaned and sanitized regularly with cleaning products and protocols which meet EPA guidelines and are approved for use and effective against viruses, bacteria and other airborne and bloodborne pathogens.
- 5 Electrostatic disinfecting spray that lasts up to 48 hours is used every day on all seats to ensure that all surfaces are clean.
- 6 Hand sanitizer is available in all restrooms and at the entrance to all theaters.
- 7 Screening times will be staggered to reduce the number of guests in the theater corridor.
- 8 Water bottles are allowed in the theaters. All other food/drinks/refreshments are not permitted. If you wish to provide refreshments, please contact a member of the theater staff for assistance. LA County has very strict rules for this and we can help.

FOR CHAPLIN THEATER SCREENINGS ONLY

- 1 A member of the Post Production staff will be seating guests individually to ensure social distancing. Seats will be labeled and seating will be organized to allow for as much distance between groups as possible, with a minimum of six feet of space in between each group.
- 2 After the screening is over, theater guest will exit row by row to ensure social distancing.
- 3 Theater guest will queue outside by the Chaplin doors. There will be markers to indicate to the six-foot social distance.
